Meegan Reid

Kitsap Sun Staff Photographer

Wednesday October 11th 7:00-9:00 pm

At the Senior Center

For our October Education meeting we are very lucky to be joined by Meegan Reid. Meegan is the staff photographer of the Kitsap Sun. She will share some of her images capturing life in our beautiful and fascinating county. Whether it is breaking news, the Nimitz returning home, local sports or a peaceful day in the park, Meegan is there to photograph the scene and share with the readers of the Sun.

Meegan spoke to BIPC early in 2019. Since that time we have added many new members who have not had the opportunity to meet her. It was feedback from those who did get to hear her, that prompted us to ask her to return.

Please join us to learn about photojournalism and ask a question of this engaging and talented photographer.

A Zoom link to the meeting will be sent out a few days ahead of time.

Photographers deal in things which are continually vanishing and when they have vanished there is no contrivance on earth which can make them come back.

2023 NWWCC Competition Deadlines Have Been Extended

The deadline for the **Open Digital and Slide Show Competition is October 10th**. Please send me a copy of your entry form.

The deadline for the **Open Print Salon is October 8th** so that the prints can be delivered to the Print Director by October 10th. **Let me know ASAP if you plan to have prints so we can arrange a time for drop off**. Also, make a copy of your entry form for my records.

The rules and entry forms for the annual individual completions are now posted on the NWCCC web site. The link is below: Key information from the rules are summarized below.

<https://nwcameraclubs.org/competitions/>

Open Digital Salon

Maximum of 4 images.

Image size shall not exceed **1920 pixels wide by 1200 pixels high (Both wide and high are constraints)**. File size should be limited to 2000 kB, be in JPEG format, and sRGB color space for consistency in judging. Also, be careful not to make your images too small as that will have a negative impact on the quality of the judges' viewing experience.

Digital Slide Show

Limit of two (2) entries per person and two (2) entries per group.

Open Print Salon

A maximum of three (3) Color and three (3) Monochrome prints may be entered in the Open Print Salon with a maximum of six (6) total prints per photographer. The Color and Monochrome categories are divided into large and small size categories. A photographer must enter either the Large or Small size print category, but not both. Each size category will be judged separately if entry numbers permit.

WILL THE CIRCLE BE UNBROKEN?

Images by Rob Wagoner on the SC "Wall" October 1 - 31

Rob will have a collection of 14 circle images on the wall in the entry of the Senior Center for the month of October.

Circles represent:

- In art, the circle focuses us inward and gives us compositional unity
- In design, using a simple circle represents ideal balance and symmetry
- A circle can be a complete form or inferred with similar curved lines juxtaposed to create the rounded form
- A set of juxtaposed circles can create a harmonious texture or pattern

The group of images will relate to these expressions of a circle.

Rob will talk about these images & the use of circles in art on Friday, October 13 at 1:30 PM in a ZOOM-type talk, accessible through the BI Senior Center website. **Be there or be square - OOOOOOOOOOOOOOOO**
